

*January 17, 2014*  
*Viacheslav Adamchuk and Hsin-Hui Huang*

### **Bio-geospatial Technologies Seminar**

Attendance:

- Zhor Abail – Natural Resource Sciences
  - Naeem Abbasi – Bioresource Engineering
  - Viacheslav Adamchuk – Bioresource Engineering
  - Shoieb Akaram – Bioresource Engineering & NRS
  - Asim Biswas – Natural Resource Sciences
  - Grant Clark – Bioresource Engineering
  - Nandkishor Dhawale – Bioresource Engineering
  - Habib Diop – Natural Resource Sciences
  - Haroldo Dorea – Natural Resource Sciences
  - Anna Elban – Natural Resource Sciences
  - Hsin-Hui Huang – Bioresource Engineering
  - Jasmeen Kaur – Bioresource Engineering
  - Peter Kirby – Natural Resource Sciences & Lods
  - Mohamed Laila – Natural Resource Sciences
  - Leonardo Leon – Natural Resource Sciences
  - Ahmad Mat Su – Bioresource Engineering
  - Shiv Prasher – Bioresource Engineering
  - Zhiming Qi – Bioresource Engineering
  - Frédéric René-Laforest – Bioresource Engineering
  - Ben Thomas – Natural Resource Sciences
  - Joann Whalen – Natural Resource Sciences
  - Kiara Winans – Natural Resource Sciences
- 
1. This new proposed name for the seminar is “Bio-geospatial technologies seminar”
  2. The new listserv is to be requested by Peter Kirby (bgstech@lists.mcgill.ca)
  3. Next scheduled presenters: February – Dr. Biswas; March – Dr. Whalen
  4. Developing a geospatial data sharing platform – will think about the architecture, Macdonald Farm data is being gathered
  5. Following Dr. Biswas presentation in February, Hsin-Hui Huang will present Macdonald Farm data
  6. Presenter has the responsibility to make necessary arrangements and designate a notes taker
  7. Everyone is welcome to recommend guest speakers
  8. Meeting time will be from 12:00 – 13:30
