Viacheslav Adamchuk

Bio-geospatial Technologies Seminar

Attendance:

- Shiv Prasher - Bioresource engineering
- Hsin-Hui Huang - Bioresource engineering
- Yue Su - Bioresource engineering
- Habip Diop – NRS
- Florian Reumont - Bioresource engineering
- Francisco Ruiz - Bioresource engineering
- Frédéric René-Laforest - Bioresource engineering
- Peter Enright – FMT
- Susan Robinson - NRS / Nutrition
- Caroline Begg – Plant Science
- Ahmad Mat Su - Bioresource engineering
- Viacheslav Adamchuk - Bioresource engineering
- Nandkishor Dhawale - Bioresource engineering

Presentation and follow-up discussion on three topics presented by Nandkishor Dhawale:

1. Combining Soil Sensor Information
2. Automated On-the-Spot Analyser
3. Sensing with Soil Spectroscopy
