

# AUTO-GUIDANCE FIELD DAY

University of Nebraska Extension

**August 18, 2005**

7:30 am - 4:00 pm Main Program

4:00 pm - 7:00 pm Ride and Drive Activities (opt.)

The August N. Christenson  
Research and Education Building  
Agricultural Research and Development Center (ARDC)  
near Mead, NE

- ✓ Understand the purpose and the main components of Auto-Guidance systems for agricultural vehicles
- ✓ Know the variety of technical solutions on the market
- ✓ Identify the benefits and drawbacks of alternative Auto-Guidance equipment options
- ✓ Interact with representatives from major manufacturers of auto-guided solutions (AgLeader, AutoFarm, Beeline, John Deere, Outback, and Trimble)
- ✓ Observe and operate tractors equipped with different auto-guidance systems

The program is free with lunch provided.

Due to limited space, registration is required by August 12, 2005.
